## **ITX Awarded \$6.5M Contract from Department of Energy**

**Fort Collins, Colorado, November 4, 2008** – Information Technology Experts, Inc. (ITX) today announced that the Department of Energy, Western Area Power Administration, Upper Great Plains Region (UGP), has awarded the company two contracts for administrative support services and CAD/CMMS support. The estimated contract value is \$6.5 million over five years and adds 21 staff to ITX’s roster.

“We were awarded these opportunities because Western is happy with our performance on existing contracts and we’re very successful in our ability to transition staff,” said Bruce Hottman, ITX VP of Government Operations.

Additionally, the company announced that 23 local businesses have recently hired ITX to perform IT and VoIP support, including: Vestas, Constant Contact, Salud Family Health Centers, Safebuilt, and Wirestone.

### **About ITX**

ITX is northern Colorado’s leading full-service IT support provider. Founded in 1996 by Mai Tran and Bruce Hottman, ITX has 140 employees and posts a 31% annual average growth rate. ITX serves 200 commercial and government clients from headquarters in Fort Collins, Colorado, and client locations nationwide. ITX services include: network design & administration, VoIP phone systems, software & web development, server & PC support, network security, and managed services. ITX is a SBA 8(a) Small Disadvantaged Business (minority-owned) listed on the GSA Schedule 70 and GSA STARS contracts.
