ITX hires former Fort Collins Mayor Ray Martinez

Fort Collins, Colorado, April 23, 2005 – Information Technology Experts, Inc. (ITX) today announced the hiring of former Fort Collins mayor, Ray Martinez, who served as mayor from April 1999 to April 2005.

Mr. Martinez has been dedicated to the Fort Collins community in which he grew up. He has over 30 years experience in public service. It is because of his dedication to this community that he will continue to assist small businesses in the Fort Collins area, as well as, the federal sector by joining Fort Collins-based ITX.

“I worked with Mai Tran, ITX President & CEO, while I chaired the Governor’s Minority Business Council. We worked together on issues relating to minority-owned businesses and tried to assist them with the challenges they face,” said Ray Martinez. “I look forward to continuing to work with ITX as the Director of Commercial Business Development and in assisting Colorado’s economy to grow by working with businesses to optimize their computer environment.”

About ITX

ITX is northern Colorado’s leading full-service IT support provider. Founded in 1996, ITX has 103 employees and posts a 31% annual average growth rate. ITX serves over 120 commercial and government clients from offices in Fort Collins, Denver, Colorado Springs, and client locations nationwide. ITX core competencies include: network administration, database & software development, network security, hosting, and VoIP/telecommunications.
