ITX Signs 10 New Clients

Fort Collins, Colorado, May 1, 2007 – Information Technology Experts, Inc. (ITX) today announced that 10 local businesses have recently hired ITX to serve as their IT support providers. New customers include: HighCraft Builders, Private Wealth Counseling Group, Citadel Advisory Group, Family Health Care of the Rockies, The Nature Conservancy, The Boys & Girls Clubs of Larimer County, Hanna, Holdridge & Associates, InterMountain Distributing Co., and AMPS Project International.

Support for ITX customers range from network design and administration, network security, desktop and end-user support, hosting, software and database development, and VoIP.

“Customers have several choices when deciding who to hire as their local IT support provider, and we’re thrilled that these 10 respected businesses saw the value in signing with ITX,” said Mai Tran, ITX President & CEO.

About ITX

ITX is northern Colorado’s leading full-service IT support provider. Founded in 1996 by Mai Tran and Bruce Hottman, ITX has 120 employees and posts a 31% annual average growth rate. ITX serves over 140 commercial and government clients from offices in Fort Collins, Denver, and client locations nationwide. ITX core competencies include: network administration, database & software development, network security, hosting, and VoIP/telecommunications.
