ITX Signs nine New Clients

Fort Collins, Colorado, June 1, 2006 – Information Technology Experts, Inc. (ITX) today announced that nine local businesses have recently hired ITX to serve as their IT support providers. New customers include: QLT, Florida Cirtech, Northwest Instruments, RB&B Architects, Celestica, Technology Driven Products, Fort Collins Real Estate, Dunn Hogerty Investment Consulting, Inc., and Shamrock Airport Express.

IT support for ITX customers range from network design and administration, network security, desktop and end-user support, hosting, software and database development, and VoIP.

“Customers have several choices when deciding who to hire as their local IT support provider, and we’re thrilled that these nine respected businesses saw the value in signing with ITX,” said Mai Tran, ITX President & CEO.

About ITX

ITX is northern Colorado’s leading full-service IT support provider. Founded in 1996, ITX has 103 employees and posts a 31% annual average growth rate. ITX serves over 120 commercial and government clients from offices in Fort Collins, Denver, Colorado Springs, and client locations nationwide. ITX core competencies include: network administration, database & software development, network security, hosting, and VoIP/telecommunications.
